

This Heart of Mine

(J. Smoak, R.Irmen)

RF: This heart of mine is made of silver;
this heart of mine is made of gold
It will shine like a candle,
when your world is dark and cold
When your world is dark and cold

1: This heart of mine is made of timber;
this heart of mine is made of stone
Like a bridge across the mountains,
when you're walking all alone
When you're walking all alone

RF:

2. This heart of mine is made of iron;
this heart of mine is made of steel
It won't turn toward another, when the wind is on the hill
When the wind is on the hill
